Advanced Microsoft Excel; bilingual in English and Portuguese.

QUANTITATIVE RESEARCH

How Rising Interest Rates Reshape Regional Bank Lending Strategies | Co-author with Dr. Austin Zekeri, DBA, Polk State College | 2025 – 2026

- Built a multi-source bank-level panel dataset from FDIC Call Report, FRED and bank 10-K data covering 2015–2024
- Estimated panel regressions with fixed effects to measure how rising interest rates shifted regional bank lending strategies
- Tested model sensitivity across a six-specification robustness table
- Paired the quantitative model with qualitative 10-K analysis of six regional banks

EXPERIENCE

Personal Banker, Wells Fargo | Lakeland, FL | May 2026 – October 2026

- Assessed retail and small-business clients (LLC, S-corp, nonprofit) and matched deposit, credit card and loan products to each client's liquidity needs and risk profile
- Processed credit card and loan applications, account openings, wires and foreign currency orders; handled cash and closing procedures

Accounting Intern, Podell, Schwartz, Schester & Banfield, CPAs | New York, NY | January 2024 – August 2024

- Managed billing data for 700+ of the firm's 900+ clients using AS400 and Excel
- Led a 5-person team on a process-improvement project that reorganized legacy billing records and migrated them from AS400 into Excel

Founder, PulmoSentinel (healthcare software startup) | Remote | 2026 – Present

- Built a tiered B2B pricing model ($4K–$50K+/month) and go-to-market strategy reviewed by a health-tech CEO and a Wells Fargo Executive Director
- Placed Top 40 of 531 ventures from 160+ institutions in the Texas A&M AI Venture Velocity Challenge; scored 9.7/10 at the MeDo Healthcare Hackathon

Campaign Manager (Volunteer), Florida House of Representatives, District 43 Campaign | July 2024 – August 2024

- Set up 3 investor meetings supporting $15K in campaign fundraising; planned daily agendas and issued event notices for 5 candidate events
- Designed flyers and marketing materials and built the campaign website
